## § 54.705

his or her participation on the Administrator's Board of Directors.

[63 FR 70573, Dec. 21, 1998, as amended at 67 FR 13226, Mar. 21, 2002]

EFFECTIVE DATE NOTE: At 63 FR 70573, Dec. 21, 1998, § 54.703 was revised. Paragraph (c) contains modified information collection requirements and will not become effective until approved by the Office of Management and Budget.

### § 54.704 The Administrator's Chief Executive Officer.

(a) *Chief Executive Officer's functions.*

(1) The Chief Executive Officer shall have management responsibility for the administration of the federal universal service support mechanisms.

(2) The Chief Executive Officer shall have management responsibility for all employees of the Universal Service Administrative Company. The Chief Executive Officer may delegate such responsibility to heads of the divisions established in § 54.701(g).

(3) The Chief Executive Officer shall serve on the Administrator's Board of Directors as set forth in § 54.703(b) and on the Committees of the Board established under § 54.705.

(b) *Selection process for the Chief Executive Officer.* (1) The members of the Board of Directors of the Administrator shall nominate by consensus a Chief Executive Officer. The Board of Directors shall submit the name of its nominee for Chief Executive Officer, along with relevant professional and biographical information about the nominee, to the Chairman of the Federal Communications Commission.

(2) The Chairman of the Federal Communications Commission shall review the nomination submitted by the Administrator's Board of Directors. Subject to the Chairman's approval, the nominee shall be appointed as the Administrator's Chief Executive Officer.

(3) If the Board of Directors does not reach consensus on a nominee or fails to submit a nomination for the Chief Executive Officer, the Chairman of the Federal Communications Commission shall select a Chief Executive Officer.

### § 54.706 Contributions.

(a) Entities that provide interstate telecommunications to the public, or to such classes of users as to be effectively available to the public, for a fee will be considered telecommunications carriers providing interstate telecommunications services and must contribute to the universal service support programs. Interstate telecommunications include, but are not limited to:

- (1) Cellular telephone and paging services;
- (2) Mobile radio services;
- (3) Operator services;
- (4) Personal communications services (PCS);
- (5) Access to interexchange service;
- (6) Special access service;
- (7) WATS;
- (8) Toll-free service;
- (9) 900 service;
- (10) Message telephone service (MTS);
- (11) Private line service;
- (12) Telex;
- (13) Telegraph;
- (14) Video services;
- (15) Satellite service;
- (16) Resale of interstate services; and
- (17) Payphone services.

(b) Except as provided in paragraph (c) of this section, every telecommunications carrier that provides interstate telecommunications services, every provider of interstate telecommunications that offers telecommunications for a fee on a non-common carrier basis, and every payphone provider that is an aggregator shall contribute to the federal universal service support mechanisms on the basis of its interstate and international end-user telecommunications revenues, net of prior period actual contributions.

(c) Any entity required to contribute to the federal universal service support mechanisms whose interstate end-user telecommunications revenues comprise less than 12 percent of its combined

interstate and international end-user telecommunications revenues shall contribute to the federal universal service support mechanisms for high cost areas, low-income consumers, schools and libraries, and rural health care providers based only on such entity's interstate end-user telecommunications revenues, net of prior period actual contributions. For purposes of this paragraph, an "entity" shall refer to the entity that is subject to the universal service reporting requirements in 47 CFR 54.711 and shall include all of that entity's affiliated providers of telecommunications services.

(d) Entities providing open video systems (OVS), cable leased access, or direct broadcast satellite (DBS) services are not required to contribute on the basis of revenues derived from those services. The following entities will not be required to contribute to universal service: non-profit health care providers; broadcasters; systems integrators that derive less than five percent of their systems integration revenues from the resale of telecommunications.

### § 54.707 Audit controls.

The Administrator shall have authority to audit contributors and carriers reporting data to the administrator. The Administrator shall establish procedures to verify discounts, offsets, and support amounts provided by the universal service support programs, and may suspend or delay discounts, offsets, and support amounts provided to a carrier if the carrier fails to provide adequate verification of discounts, offsets, or support amounts provided upon reasonable request, or if directed by the Commission to do so. The Administrator shall not provide reimbursements, offsets or support amounts pursuant to part 36 and § 69.116 through 69.117 of this chapter, and subparts D, E, and G of this part to a carrier until the carrier has provided to the Administrator a true and correct copy of the decision of a state commission designating that carrier as an eligible telecommunications carrier in accordance with § 54.201.
